The Journal of  
The European Ecopsychology Society EES ®

[www.ecopsychology.net](http://www.ecopsychology.net)

*Amaranda* is the official journal of the European Ecopsychology Society and is published three times a year. The European Ecopsychology Society (EES) is a non-profit registered society whose aim is to be an educational, theoretical, practical, research and informational forum for all professionals interested in ecopsychological issues. *Founded in Switzerland in 2005.*
